

Technology Agreement

Guardian Names: _____

Child name: _____

A technology agreement means we agree to follow the rules and respect each other's wishes. The guardians mentioned above have the final say over this agreement. They can cancel all privileges at their will based on behaviour. This agreement will be revised within 1 year / 6 months / 3 months of signing the agreement.

The agreement is as follows:

- Every day, the Child is allocated _____ min/hours a day. This can be enjoyed at once or broken up over the 24-hour period.
- Guardians will be able to install any browser of their choice and can monitor all behaviour online.

The child agrees to:

- Share any content or messages that upset them or feels wrong to them. Keep speaking to your guardians.
- Respect all age restrictions on content. This includes games, videos, and social sites.
- There will be no downloading of apps, clicking on pop-ups, or inserting banking details without prior approval from the guardians.
- No online chatting will take place on any device, game or app.
- The child agrees not to share any personal information on the internet. (Your name, physical address, or school)
- The technology will not be accessed before bedtime.
- Technology will not be borrowed or shared with anyone else.
- Technology access will not happen during school hours.
- Access to the technology will happen in an open area, that the guardians have specified.
- Any and all passwords will be shared with the Guardians.
- There will be no access to technology for anyone in the family between these hours _____ or on this day _____
